Engineering ■ Party Wall Surveyors ■ CDM-Coordinators

**Well-engineered design solutions within a framework of effective cost control with an uncompromising commitment to quality and service for our clients and fellow professionals.**

M T Associates is a Structural & Civil Engineering consultancy practice based in Northampton, with clients across the UK and Ireland. We provide a wide range of Structural & Civil Engineering Consultancy services to a broad client base.

We have successfully worked on numerous projects for a wide range of clients in the public, commercial, industrial, leisure and private sectors and continue to gain an enviable reputation for our quality of service and value.

Whether you are considering extending your house, converting your Garage or loft, or expanding your enterprise, we have the knowledge, experience and specialist skill to meet your exacting requirements.

Our range of skills enables us to offer a comprehensive service from initial scheme conception through to a successful conclusion and settlement.

M T Associates provides consultancy services in (but are not limited to) the following:

- Structural Surveys & Appraisals
- Individual Beams, Extensions/Loft Conversions
- Residential Design
- Schools, University's, Hospitals & Retail
- Industrial & Commercial Design
- Warehouses
- Listed buildings
- Party Wall matters
- Registered CDM-Coordinators
