

Public Sector Buildings

Our strength in this sector gives us an enormous advantage when it comes to designing public buildings. We have worked in partnership with Local Authorities on many projects. M T Associates has been commissioned for a wide range of public sector projects all with a differing, and often complex, set of requirements.

Outlined below is a sample of some of the developments which we have been fortunate enough to be involved with, to varying degrees, over the years...

Schools & University's:

- Weedon Bec Primary School, Northamptonshire
- Headland Primary School, Northampton
- Duston Secondary School, Northamptonshire.
- Greenfield Special Needs School, Northampton.
- Reading SEN School, The Meadway.
- Oundle School
- King Solomon Academy, Penfold Street, London.
- Loughbrough University
- Heartfordshire University

Hospitals:

- Princess Alexandra Hospital
- North Middlesex University Hospital
- Helipad at Bloomfield, East Essex Hospital

Swimming Pools:

- Olympic swimming pool, Corby

Shoping Centres:

- White City, London

Chapels & Community Centres:

- St Anne's chapel, Stoke Newington, London
- Community Centre, Rayners Lane.
